Instructions:

1. Cut out the Pieces: Out of [Array® Black Card Stock](#) cut six 1" squares for the eyes and mouth, one rectangle 8" x 1-1/2" for the brim of the hat and one rectangle 6" x 3" for the top of the hat. Then using the pattern ([SnowmanPattern.pdf](#)) cut the Snowman arms out of Black Card Stock, the Nose out of Orange Card Stock and three button out of any color Card Stock you choose.

2. Assemble your Snowman: The bottom of the bag is the snowman's head. Lay the bag down in front of you with the opening of the bag at the bottom and the bottom flap on top. Glue the mouth pieces just over the edge of the flap (be careful not to glue the flap down so the mouth can open freely). Glue the remaining snowman pieces to the bag. Let dry.
