

EXPERIENCEWARE

Transforming customer interactions.

Upgrade like a pro

Purchase a Plantronics
EncorePro headset and
receive a \$15 rebate

Offer ends March 31, 2016

It's simple!

1. Purchase

Purchase a new EncorePro 510, 520, 530, 540, 710, or 720 from any Plantronics authorized reseller located in the US or Canada

2. Claim

Complete online claim form at pages.plantronics.com/EncorePro-TradeIn and include a copy of your receipt as proof of purchase*

3. Return

For each rebate requested, return an equal number of used headsets (they don't have to be Plantronics) by requesting a pre-paid shipping label via the online form

With customer expectations rising and calls more complex than ever, your customer service representatives need headsets that will help them stay focused on the conversation. The EncorePro Family does just that.

Choose between the EncorePro 510, 520, 530, 540, 710, or 720—and save money when you trade in your old headset for a new one. It doesn't matter how many you trade in. Simply purchase a new Plantronics EncorePro and send in your old headset to receive a \$15 rebate for each return.

OUR PRODUCTS

Meet our latest headsets completely re-imagined for the demands of the modern customer service center.

EncorePro 510/520: The all-new generation of our most popular over-the-head headsets.

EncorePro 530: A super-lightweight headset with an all new over-the-ear design.

EncorePro 540: Our most flexible headset combines three wearing styles in one headset.

EncorePro 710/720: Our highest performance headsets provide luxurious comfort and a premium look and feel.
